

## Community of La Porte, Texas

The Community of La Porte has been fortunate to attract over **\$4.3 billion** of new investment, create more than **600 new jobs**, and retain more than **1,100 jobs** in the past three (3) years.

**American Air Liquide** -- \$400 million investment with 20 new jobs; recipient of Chapter 313 incentives and city tax abatement.

**INEOS USA, LLC** -- \$400 million investment with 24 new jobs and 313 retained jobs; recipient of a Texas Enterprise Fund Award, Chapter 313, city tax abatement, county tax abatement, and \$300,000 in local economic development incentives.

**Equistar Chemical, LP** -- \$380 million investment with 36 new jobs and 352 retained jobs; recipient of Texas Enterprise Project designation, Chapter 313 incentives, and city tax abatement.

**Kuraray America, LLC** -- \$250 million investment with 100 new jobs; City of La Porte sold land to the company, which the city previously received in a land swap with the City of Pasadena; recipient of a Texas Enterprise Fund Award, Chapter 313 incentives, city tax abatement, and county tax abatement.

**Linde North America** -- \$230 million investment with 15 new jobs and 51 retained jobs; recipient of Chapter 313 incentives and city tax abatement.

**Noltex, LLC** -- \$180 million investment with 12 new jobs; recipient of city tax abatement and Chapter 313 incentives.

**InterGulf Corporation** -- National headquarters with 30 executive jobs; recipient of \$450,000 in local economic development incentives for infrastructure.

**ACT Independent Turbo Services** -- \$6.6 million in new offices, plus 73 new high paying executive and advance manufacturing employees; recipient of \$426,000 in local economic development incentives for infrastructure.

**Richard Industrial Design Services** -- Regional engineering office on a three year lease with 90 new jobs; recipient of \$15,000 in local economic development incentives for infrastructure. Goal was to encourage the company to build a permanent building and stay in the community.

Projects outside the boundaries of the City of La Porte, but which are inside the boundaries of La Porte ISD and have received Chapter 313 incentives include:

**Enterprise Operating Products, LP** -- \$1.3 billion with 12 new employees

**Celanese Ltd.** -- \$640 million with 30 new employees and 300 retained employees

**Arkema, Inc.** -- \$100 million with 5 new employees and 121 retained employees

**Oxiteno USA, LLC** -- \$90 million with 65 new employees and 8 retained employees

**Lub Line Corp.** -- \$80 million with 10 new employees
