What Do I Need To Bring?

PLEASE LABEL ALL OF YOUR CAMPER'S BELONGINGS

Please send your camper to the program in weather-appropriate shirt, shorts, socks and **athletic shoes. Shoes must be lace-up, closed toed shoes.** If your camper is wearing inappropriate footwear, such as sandals, he/she will be unable to participate in physical activities. **“Roller Skate” shoes or “Heelies” are not permitted.**

Remember that the summer can be very hot. Please keep this in mind when choosing your child's clothing. Light colored clothing and thinner materials are better for children in the heat. Dark colors can trap heat and cause your child to overheat. The more comfortable your camper is dressed, the more fun he/she will have.

Campers must wear their camp t-shirt on field trip days to ensure safety away from camp. Campers will receive their t-shirt on the first day of the first session they attend. Please note that campers receive *one* t-shirt per summer. Additional t-shirts are available for \$5.

Camp groups may be visiting the pools and splash pads during the program. On these days your child needs to be sent to the program with the appropriate **swimwear, a towel and a change of clothes.** Campers are allowed to bring sandals or flip-flops on the days that we go to pool, but must wear tennis shoes to camp in the morning. Campers are permitted to bring duffle or drawstring bags for their clothing.

What to bring:

- 2 snacks (mid-morning & afternoon)
- Lunch - NO microwave
- Extra shirt/shorts – we might get messy
- Refillable Water Bottle
- Sunscreen
- Swimwear

Here's a useful tip:

Packing your lunches in boxes or collapsible zippered carriers along with pre-frozen blue ice works very well. Another method which works well is to freeze your camper's beverage (water, juice) in liquid tight containers, and place other food items next to it. Due to storage restrictions, bulky coolers are discouraged.

What NOT to bring:

- Toys, Electronic Devices, Special Belongings, Valuables - *The City of La Porte Parks and Recreation Department assumes no responsibility for lost, stolen, or damaged items.*

The purpose of summer camp is for campers to engage in activities and the friendships being created, not to be distracted or consumed by their electronic devices. Therefore, we ask that campers please leave all electronics at home!

Attendance

When camper will be absent, or will be arriving late, please call or text to inform the Recreation Specialist.

Sign-In/Sign-Out Procedures

The City is not responsible for any child until they have been checked in at the camp site. No camper will be allowed to sign himself/herself in or out during summer camp. The registration form (attached) includes a section for the parent/guardian to provide the names of those persons authorized to sign-in/sign-out each camper. Driver's license/Government Issued I.D. will be checked for each authorized person, including the parent/guardian. Identification will be requested, until familiarity is established.

Sign-In

Parents/Guardians, or adults given written permission, must accompany their child to the camp and sign them in each morning. A child can be dropped off at any location we are at during the day. A camp schedule will be provided, indicating the location changes throughout the day.

Sign-Out

- When a parent/guardian, or authorized person, comes to pick up the camper, they are to sign the camper out. Honking or waving for the camper to come to the car is not acceptable.
- Campers will not be released to a minor (an individual under the age of 18) unless indicated on the registration form. Any individual signing out a camper must have access to a government issued photo ID.

When an unauthorized person comes to pick up a child, the following procedures will be followed:

1. Leaders will ask for identification of anyone they are not familiar with.
2. The sign-out policy and the reason for it will be explained to the person desiring to take the camper.
3. The parent/guardian will be called to inform them of the person on site asking to pick up their camper. The parent/guardian will be asked for their driver's license number, in order to verify that staff is talking to the parent/guardian.
4. The parent/guardian will be asked to grant permission for their camper to be released to the person on site. The parent/guardian will be asked to email, fax or bring a signed permission letter to the Parks & Recreation office. (Fax: 281-470-1361)
5. Once permission is granted, the child will be released to the person on site.
6. If the parent or guardian cannot be reached, or does not grant permission, the child will not be released to the unauthorized person.
7. If an unauthorized person attempts to take the camper without permission, the police will be called and the situation will be handled as a criminal incident.

*We operate in the best interest and safety of your child.
We apologize for any inconvenience this may cause.*

Late Pick-Up

If a camper is not picked up by designated end-time of camp (5:30 PM) the initial late charge is \$10. In addition, another \$10 fee will be charged for every 15 minutes thereafter. At 6:00 PM, if the camper has not been picked up, emergency contacts will be attempted to be notified. Payments for late fees are due at the Recreation and Fitness Center during open hours. Payments must be received before the camper can resume attending camp.

Illness of Campers

Parents/Guardians are responsible for informing the City of La Porte of any special needs, concerns, or information regarding their camper's health on attached form.

All campers must be able to participate in the full range of activities offered. Any camper meeting any of the following criteria will not be admitted to camp:

- The illness prevents the camper from participating comfortably in the program activities.
- The illness results in greater need for care than the staff can provide without compromising the health, safety, and supervision of the other campers or staff.
- The camper has an oral temperature of 100.4 degrees or greater.
- Campers with symptoms and signs of possible severe illness to include, but not limited to lethargy, uncontrolled breathing, uncontrolled diarrhea, vomiting illness, rash with fever, mouth sores with drooling, wheezing, or behavior change, will not be admitted until medical evaluation indicates that the camper can be included in the camp activities.
- The camper has been diagnosed with a communicable disease, until medical evaluation determines the camper is no longer communicable.
- The camper vomited in the morning, prior to coming to the program.
- The camper has discolored nasal discharge.

Parents/Guardians will be notified by phone if the camper becomes ill while at camp. If the parent/guardian cannot be reached, the emergency contact will be called. Any camper experiencing a fever over 100 degrees, vomiting, repeated diarrhea or contagious skin or eye infections will be removed from common areas and should be picked up within one hour of contact with the parent/guardian.

A camper may be permitted back to camp, if they are taking doctor prescribed antibiotics and/or have a normal temperature for longer than a 24 hour period.

In the event of critical illness or injury, proper medical personnel and parents will be notified. At the discretion of the medical personnel, the camper may be transported to an emergency room or clinic by ambulance. Parents/Guardians will be responsible for any expenses incurred.

Expectations/Responsibilities

Camper Expectations

In order for all participants to have a safe and enjoyable experience, all campers must demonstrate appropriate behavior and respect for themselves, as well as others. Meeting this expectation will offer all campers and staff the greatest opportunity for success.

Parents/Guardians please review with your camper our expectations to ensure their time with the program is a pleasurable experience.

- Campers must remain in the designated camp/program areas.
- Campers are expected to exercise respect toward all people, places of business, equipment, others private property, and vehicles.
- Campers are expected to follow the rules associated with activities and program areas and ask staff for clarification, if needed.
- Campers are expected to communicate and conduct themselves in an appropriate manner. Threatening words, tone of voice, gestures, foul language, teasing, bullying, or harmful physical contact will not be tolerated and are prohibited.
- Parents/Guardians are financially responsible for their camper's actions when the participant:
 - o Defaces and/or destroys the building, grounds, equipment, vehicles or other's belongings.
 - o Tamper with, or pulls, the fire alarm without due cause.

Parents/Guardians and campers need to be aware that there are rules that each child is expected to follow every day. These rules are only basic rules and do not intend to cover all behavioral standards. These will be discussed on the first day of camp and will be posted all week.

Camp Staff Expectations

All staff members (Recreation Specialists, Senior Recreation Leaders and Recreation Leaders) are hired based on a combination of education and/or childcare-related experience. Prior to working directly with your camper, each employee goes through a criminal background check and drug screening, then must complete our camp staff trainings.

Recreation Leaders are matched to specific programs and age groups according to experience, strengths and interests. They willingly “take ownership” in the camp by bringing it to life with their energy and creativity. All camp staff are expected to create and implement age appropriate activities that promote growth while maintaining a safe environment.

Recreation Leaders are mentored by Senior Recreation Leaders. All the Senior Recreation Leaders and Recreation Leaders are supervised by the Recreation Specialist.

Both Camp Voyage and Camp Breeze will each have at least one person present that carries a current CPR/First Aid certification.

Disciplinary Action Forms

Disciplinary Action Forms are issued to campers who continue to act inappropriately, are disruptive, or create a safety concern. Parents/Guardians are to sign each report and receive a copy. Depending on the severity of the incident, suspension or termination of participation may be enforced on the first occurrence. An example of immediate suspension or termination may be for fighting or leaving the area without supervision. All suspensions will be reviewed by the Camp Director and Recreation Programs Coordinator or Recreation Superintendent before being implemented. Summer camp is intended to be a fun and safe environment for all. Any behavior that threatens the safe atmosphere of camp will warrant consequences. **Please see the Camp Behavior Procedures on the following page for reference of consequences.**

All children will wear seat belts while being transported with the exception of commercial vehicles that do not offer seat belts.

Swim Review

All campers must undergo a swim review, unless previously told otherwise, to have free roam of the pool areas. Campers who successfully complete swim review are allowed free roam of the pool areas. Campers who do not complete or opt out of the swim review will be considered "shallow swimmers". The swim review will consist of the child jumping in to the pool in the deepest part, sinking to the bottom and touching the ground, swimming back up and then across the pool unassisted. Campers will get one opportunity to pass the swim review per day. Once a camper has successfully completed the swim review, the camper will no longer need to do a swim review for the duration of the summer, unless requested by staff.

Shallow swimmers will be documented and will have a wristband at all times when at the pool. Shallow swimmers will be limited to 3 feet of water or less for swimming activities. If a parent/guardian would like to designate their camper as a shallow swimmer they must do so on attached form (*see "About My Camper"*).
