

Take your new best friend home today!

We all need a loving, forever home.

### A New Shelter is coming to La Porte

The La Porte Animal Control Division is dedicated to keeping both the people and animals that live in our community safe and healthy. An important part of the Animal Control Divisions mission involves finding loving homes for the many abandoned and homeless pets that find their way to the City's shelter, and our Animal Control staff has been working hard to increase the number of animals at the shelter that are adopted out to loving homes each year. In 2012, 184 animals were adopted from La Porte's existing animal shelter. This number was increased by 34% in 2013, with 247 animals adopted.

We hope to increase this number even further in the coming years thanks to the La Porte City Council, which recently approved the construction of a new state of the art, community friendly, and centrally located (Spencer Highway), Animal Adoption Center and Shelter.

La Porte's current Animal Shelter was built in 1987 and is adjacent to the City's Waste Water Treatment Plant. As the community has grown, the need for expansion and the inclusion of adoption focused amenities, such as a large display cat colony, animal exercise yards, and indoor and outdoor visitation areas, where perspective adopters can get acquainted with their new pet has become abundantly clear. The new facility is under construction now and is expected to be completed, and in full operation, by the end of 2014.

Your generous donations will help pay for the care of sheltered animals before finding them a loving new home.

Here are some ways you can help...

- Sponsor a Dog Kennel & dedicate it to the memory of a much-loved pet
- Sponsor a Cat Condo & dedicate it to a favorite club or group.

Dedicated to the many shelter pets who blessed our lives over the years.

The Smith Family

- Your company can be a Sign Sponsor
- Your Garden Club can donate time and talents to landscaping the grounds.
- ... look inside this brochure to learn many more ways you and your family can make a difference.

# Let Us Introduce You to a Dog's (and Cat's) New Best Friend! The La Porte Adoption Center & Animal Shelter

Located at 10901 Spencer Hwy (W. Main St.) in La Porte, the new location for the Center has been chosen for its accessibility and easy access for all La Porte citizens, as well as surrounding communities whose families may be seeking a new best friend.

The new facility will have 32 dog runs with a separate Quarantine and Isolation Area; 66 Cat Cages with 36 of them being designed for adoption. The new shelter will have a Get Acquainted Room for potential adopters to meet the animals to see if they will be a good fit into their homes.

The new signage will perform several functions: advertise the Shelter and make it easy to find, showcase community business support, and let people know about missing or found animals.

*Are you ready to go home?*

## You Can Make a Difference!

The La Porte Adoption Center and Animal Shelter is inviting citizens, families and business leaders in our community to support these important efforts to make our community safer, while also raising awareness of the positive contribution of pets in our lives.

Here are some of the sponsorships we have designed for your consideration:

- CAT COLONY \$ 10,000
- ADOPTION Get-Aquainted Room \$ 5,000
- SIGNAGE ON SPENCER  
Sponsors Space - Per Side \$ 15,000
- LANDSCAPING  
Monetary or In-Kind Donations \$ 10,000
- DOG KENNELS 26 Single Kennels @ \$ 500 each
- CAT CONDOS 36 Single Condos @ \$ 250 each
- OUTDOOR BENCHES 4 Benches @ \$ 1,000 each

### SPECIAL RECOGNITION

Each of these sponsorships will be recognized throughout the facility. For example, sponsors for the dog kennels will have custom signage above "their" kennel, as will the cat condos.

If you have any questions about the sponsorships, desire to contribute or volunteer, or would like more info about the new facility, please contact Clarence Anderson at the Shelter.
